## Official Dakar Race Receptive Agency

AMAHUACA DMC & Events organized, on behalf of A.S.O./V.S.O, the VIP sponsor trips for the DAKAR Rally in South America over the last four seasons (2016 to 2019).

These exclusive 4- to 5-night excursions are designed to bring participants to key race locations as identified by A.S.O.

Additionally, these trips offer a unique opportunity to establish a luxury, tented, and mobile camp for a single night in the Peruvian desert or the Andean pampas in Argentina.

Each setup requires an average of one month of preparation, often under extreme conditions.

At each destination, we emphasize CSR values and offer opportunities for engagement with local communities and small businesses that prioritize sustainable development.

## Festive and unforgettable Events

ALTANUEVA DMC & Events has organized numerous incentive operations in Mexico and Central America, accommodating groups of up to 1500 participants. We have curated private concerts featuring French artists, facilitated team-building activities at various venues for up to 750 participants.

Additionally, we have orchestrated road trips in Costa Rica involving up to 70 4x4 vehicles, and hosted culinary events such as Top Chef Krug and Masterchef Poland, among others.

In each of our destinations, we emphasize corporate social responsibility (CSR) values and provide opportunities for engagement with local communities and small businesses that prioritize sustainable development, among other initiatives.

## Exhilarating Experiences

AKILANGA DMC & Events has organized numerous incentive operations in Southern Africa, including Tanzania & Zanzibar and Kenya.

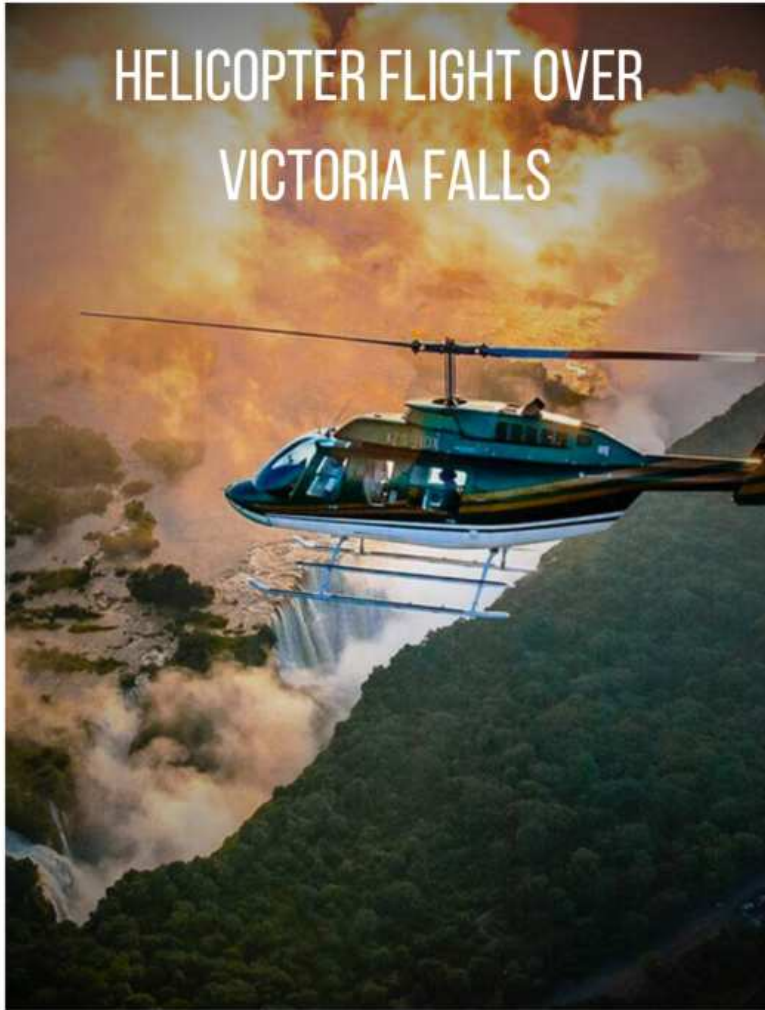

We've orchestrated road trips aboard a variety of extraordinary vehicles: Harley Davidsons, sidecars, 4x4s for game drives, helicopters, vintage cars, and more.

Akilanga also served as the official host for the 2010 FIFA World Cup and provided logistical support for '50 Minutes Inside' in Botswana, among other projects.

In each of our destinations, we emphasize corporate social responsibility (CSR) values and provide opportunities for engagement with local communities and small businesses that prioritize sustainable development, among other initiatives.
